

EL LEARNING FRAMEWORK FOR COMMUNITY ED

prepare

STEP ONE

Plan a community event centering on one of the labs

STEP TWO

Go through the prepare slides in the app in group mode

embody

STEP THREE

Have volunteers come up to "drive" the VR experience for the room

reflect

STEP FOUR

Use EL's facilitation guides to reflect in groups and/or together as a whole

apply

STEP FIVE

Families feel more:

- connected to their loved one
- confident that professional care partners are providing quality care
