

# QUARTERLY TRAINING & THE EL LEARNING FRAMEWORK

## prepare

1. Choose the module(s) that match your learning goals\*
2. Communicate the schedule for days & location of training to learners
3. Have each learner complete the pre-assessment question(s) and go through the "prepare slides"\*\*\*

## embody

1. Have one EL facilitator on-call during training to facilitate & troubleshoot
2. Each staff member should do the assigned embodied experience module(s) in VR\*\*\*

## reflect

1. Learners complete the post-assessment question(s)
2. Choose at least one question from the facilitation guide\*\* to have learners discuss in groups or one-on-one

## apply

1. Talk with caregivers about what they plan to change about their care practice
2. Follow-up at future staff meetings and/or shift huddles
3. Look at your data report\*\*
